

To Every True American

Woodrow Wilson's fight is *your* fight.

He has put equal justice above special privilege, human rights above property rights, national honor above organized greed, and democracy over all.

The Child Labor law, the Federal Reserve act, the Clayton Anti-Trust law, Workmen's Compensation, Rural Credits, the Shipping bill, the Federal Trade Commission, the Seamen's act, the Tariff Commission and the Agricultural Extension act may well stand as the ten commandments of America; his international policies proclaim to the world America's recovery of the ancient faith, America's renewed devotion to democratic ideals. Woodrow Wilson has given you prosperity with justice and peace with honor.

What are you giving him?

How much does it mean to you that business is no longer at the mercy of panics, that credit and enterprise have been released from captivity, that the standards of America are now the standards of civilization, and that the heart of the land is not torn by the wailing of widows and orphans, the slow shuffling of the blind and the maimed?

America today is no less a battle-ground than in 1776 and 1861, and Woodrow Wilson is no less the champion of liberty than Washington and Lincoln.

Money, however, is the present weapon. It takes cash to run a campaign.

Only from the people, the one master that he has served, can Woodrow Wilson receive campaign aid. *Clean money for clean purposes.*

To contribute is your *duty* even as it should be your *privilege*. Send it in now.

What one of you would not fight to defend your home and your country against foreign foes? Fight, then, against enemies within that hold greater menace than any foe without.

Do not serve notice upon all future Presidents that faithful service is folly, since the electorate is without gratitude, interest and intelligence.

Every dollar contributed is payment on America's insurance policy.

Don't let it lapse.

Even as you have received generously, *give* generously. Even stint to give. America was built on sacrifice.

A Letter From Bill

Dear Sammy:

I knew when I told you about the vaudeville that you would wake up. I am glad you are coming. Certainly they are pretty. Yes, we will have fireworks at night, foot ball games and lots of other things too numerous to mention. The midway this year will be worth the trip. I would like to see Jim on the midway.

I see by the papers that they have appointed a public safety committee. There will be such a big crowd here that the Jubilee people want to take every precaution to keep the visitors from getting hurt. That is a good idea. I do not know who will be Queen. The papers will announce it about October 15. She certainly will have a fine time here.

I am glad you have persuaded Aunt Lou to come. Tell her I will take her to see the Leach-Wallin Trio.

There is some talk of a "Fiddlers' Convention" on the Capitol steps Friday afternoon. Tell Jim that if he is coming to write a postal card to Fiddlers' Convention, Harvest Jubilee, Columbia, S. C., and to tell all the rest of the fellows who want to get into this to write down at once and find out the particulars.

The last time I attended the Fair down here there was not very much stirring until about Thursday. They have got the whole week chocked full of events this year. If they keep on going at the rate they are now they will be holding this Fair week celebration two weeks instead of one. Everybody in Columbia has fixed up for the show.

Buffalo Bill will be at the Fair this year and we will have to see this show.

Your Cousin,

BILL.

Proposed New County.

A well attended meeting of our citizens was held last Friday night for the purpose of discussing the new-county movement, which has for its object the establishment of the county seat at Lake City. A number of influential citizens of Lake City and representative men of this place were present. Among those from Lake City who took part in the deliberation were: Messrs Jno Morris, J J M Graham, W L Bass and Dr C D Rollins. Messrs S B Poston, C J Rollins, E F Prosser and Mayor Cockfield, of this place, also participated in the discussion. Our people are in favor of small counties and, as far as those present at the meeting were concerned, they were all in favor of the movement.

A committee was appointed to look into the matter and see how the people in general stood on the matter.—*Johnsonville Progress.*

COLDS AFFECT THE KIDNEYS.

Many Kingstree People Have Found This to be True.

Are you wretched in bad weather? Does every cold settle on your kidneys? Does your back ache and become weak?

Are urinary passages irregular and distressing?

These symptoms are cause to suspect kidney weakness.

Weakened kidneys need quick help. Doan's Kidney Pills are especially prepared for weakened kidneys.

Kingstree people recommend them. Mrs S A Nettles, Mill St, Kingstree, says: "I suffered awfully from disordered kidneys. My back was so sore and lame I could hardly do any sweeping or other housework. The kidney secretions passed irregularly, and when I caught cold it settled on my kidneys and made me worse. Finally I got Doan's Kidney Pills at the Kingstree Drug Co's and they relieved me of all signs of kidney trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs Nettles had. Foster-Milburn Co, Props, Buffalo, N. Y.

HUDSON-FOXWORTH NUPTIALS.

Popular Young Couple Married at Home of Bride's Sister.

Salters, October 9:—The home of Mr and Mrs W T Britton was the scene of a very pretty wedding Wednesday afternoon, the contracting parties being Mr Cecil Foxworth of Norfolk, Va, and Miss Cassie Lena Hudson, youngest daughter of Mr and Mrs W H Hudson and sister of the hostess. The house was tastefully decorated with ferns and Southern smilax, white and yellow being the color scheme. At 3 o'clock the guests began to assemble, and by 4 o'clock the clouds that had hung low all the morning began to break, letting in a beautiful ray of sunlight. As the bride entered from an adjoining room on the arm of her maid of honor, Miss Pearl McCullough, she was met by the groom with his best man, Mr F L Richardson. Rev W I Sinnott then spoke the solemn and impressive words that made them one. The bride was becomingly attired in a coat suit of midnight blue, with accessories to match. After the ceremony they were ushered into the parlor, where were displayed the presents of the bride, and after congratulations had been extended, the happy couple entered an automobile and were taken to Salters, where they boarded the northbound train for Norfolk, their future home, where Mr Foxworth has been engaged in business for a number of years.

Mr and Miss Foxworth of Latta were here last week in attendance upon the marriage of their brother.

The Salters K of P lodge enjoyed an oyster stew last Tuesday night. We wish all our brothers could have been with us. Meeting nights the first Tuesday in each month.

Mr J C Davis went to Charleston last week for an operation on one of his eyes, which has been beneficial.

Mr C Fowler spent Sunday with his family here. We are always glad to see him.

Rev W I Sinnott is attending the meetings of Harmony presbytery and synod this week in Sumter and Greenwood.

Mr A R Moseley, the champion fisherman of Salters, has been catching some very fine fish from Black river the past week.

Mr J W Whitfield and family of Charleston spent a few days last week with friends and relatives here. LOOK OUT.

BANK DEPOSITS LARGER.

Total in State Institutions Increased Thirty Per Cent.

Deposits in the State, private and branch banks in South Carolina are greater than they ever were before at this season of the year, according to a statement given out last Saturday by Ivy M Mauldin, the State bank examiner.

The condition of the 317 State banks and branches in South Carolina at close of business September 12 indicates a decided increase in business over that of one year ago. Loans show an increase of over \$4,000,000, while the banks have borrowed \$2,500,000 less than in 1915. Cash reserve also shows an increase of over \$4,000,000.

The greatest increase, however, is in deposits, which show a total increase of \$11,000,000 over last year, or a gain of over 30 per cent. Despite the fact that the total capital of State banks in South Carolina has decreased in the past few years, due to some banks nationalizing, total deposits are higher than they have ever been at this season of the year.

LINES FROM LAKE CITY.

Infirmity Projected--Serious Illness of Mr. Jones--Personal.

Lake City, October 10:—Dr Mims of Branchville came to Lake City Monday night on business. Mrs Mims was formerly Miss Mary Rushton, who lived here several years with her father, the late Rev J E Rushton.

Criminal court is in session at Florence this week, and many of our people are there, either as jurors, witnesses, or otherwise.

Mr Robert Singleton, of Johnsonville, was in town Tuesday on his way to Florence to see the officer who issues marriage licenses, so "Judge" Baldwin tells us.

Monday of last week Mr Hayden bought the place where Dr J D Eaddy now lives, on Main street opposite the Methodist church. This is one of the best residences in town.

Having worked up the tobacco on hand, the Imperial Tobacco Corporation closed down some days ago.

Mr B Wallace Jones, Sr, is very ill at a hospital in Charleston. Mrs Jones and Miss Pansy Jones, of Richmond, a daughter, are with him. Mr B Wallace Jones, Jr, went down Sunday and returned Monday. He says, we understand, that his father has not typhoid fever, as was at first thought, but some other malady.

Mr C D Rollins is contemplating building an infirmary here, and with this end in view has been looking around several days for a suitable lot upon which to build. So far he has not been successful in finding what he wants. There are several suitable lots, but they are in the hands of parties who will not sell. Such an institution as Dr Rollins proposes would be quite a benefit to the town and community.

A Clogged System Must Be Cleared.

EDGEFIELD FARMER

SLAIN BY NEIGHBOR.

CHAS TURNER FIRED WHEN HE SAW SOMEONE IN WINDOW OF HIS HOME, HE SAYS.

Edgefield, October 6:—Bud Berry was shot and instantly killed by Charley L Turner last night, about 12 o'clock at the home of the latter, three miles from this place. Berry was shot twice with a shotgun, one load taking effect in the left breast just over the heart, the other in the side. The parties were neighbors, living within a mile of each other and both prominent farmers with families.

No one was present when the tragedy occurred except Turner and the dead man, and the former's statement made at the inquest was to the effect that some hours after going to bed he heard a noise at a window leading to his daughter's room; that he got up, secured his gun and went to the place; that upon reaching there he saw someone, not knowing at the time who it was, either trying to get in or coming out of the window; that he hailed him twice without reply, whereupon he raised his gun and fired, the first shot being made while Berry was in the window, the other after he fell or jumped to the ground, and Turner said he thought he was making for him.

Neighbors soon reached the scene to find Berry's body on the ground. It is said, with his night clothes on and in his stocking feet, his outer clothes, shoes and pistol having been laid just under the edge of the house.

Turner, with whom The News and Courier correspondent talked this morning, said that at first he thought Berry was trying to break into his house, but now he is convinced that this was not his purpose. Mr Turner came to town early this morning and surrendered to the Sheriff and will likely be tried at the approaching term of court, which convenes on next Monday.

Both parties have large connections and this morning the streets were full of relatives and friends discussing and deploring the affair, which has shocked the entire community. Mr Berry was buried at Harmony Methodist church this afternoon.
